

## *SPONSORSHIP INFORMATION*

The Skyline High School Mountain Bike Team is one of the largest and most successful high school mountain bike teams in the country. In our last season, we had 152 student athletes competing in all levels and we anticipate that the team will continue growing in 2022.

We're a 501(c)3 nonprofit organization. Our Coaches, Assistant Coaches, Ride Leaders, and parent volunteers aren't paid for their amazing service to our student athletes. We're a member of the Utah High School Cycling League, the National Interscholastic Cycling Association (NICA) and we promote NICA's five core values: fun, inclusivity, equity, respect, and community.

All skill and ability levels are welcome on our team. Riders in grades 7 through 12 in the fall are eligible to participate. Our riders are encouraged to develop a love and respect for the outdoors, nature, and foster responsible use of trails and wilderness.

We rely heavily on sponsorship funds keep our program running. Your sponsorship may also benefit the athlete contacting you with request for sponsorship. To show our appreciation for your donation we're offering the following to show our recognition to you or your business:
