Sponsorship information

The Skyline High School Mountain Bike Team is one of the largest and most successful high school mountain bike teams in the country. In our last season, we had 180 student athletes competing in all levels and we anticipate that the team will continue to grow in 2023.

Our goal is to provide a positive learning athletic experience and to engage riders in the healthy life long sport of mountain biking. All skill and ability levels are welcome. Riders beginning grade 7 through grade 12 in the fall are eligible to participate. Through our practice rides and races, riders are encouraged to develop a love and respect for the outdoors, nature, and foster the responsible use of trails and wilderness.

We rely heavily on sponsorship funds keep the program running. The team is 100% run by volunteers. We're a 501(c)(3) non-profit which means that your sponsorship donation is tax deductible. Your sponsorship may also benefit an athlete contacting you with request for sponsorship. To show our appreciation for your donation we're offering the following to show our recognition to you or your business:
